## EDUCATION

### New York University

2020 - 2022

MPS, Interactive Telecommunications Program

### Sichuan Fine Arts Institute

2016 - 2020

BFA, Oil Painting, School of Fine Arts

## SKILLS

I am an artist working with mixed-media Installation, Virtual Production(Animation, VR), and music.

3D Unreal Engine, Maya, Fusion360, Spark AR, MoCap

Creative Touchdesigner, Ableton Live, Logic Pro, Painting

Design Adobe (PS, Premiere, After Effects, XD), Sketch, Figma

Code Javascript, HTML, CSS, Arduino

## EXPERIENCE

Jun - Sep  
2021

### Chinese Art Media Lab, Harvard University

*Web Design Intern*

Designed the immersive online virtual tour, Immersive exhibition, and Interactive documentary website in three of CAMLab Project.

Mar 2021

### "ETUDE" x Anomaly Open Space Exhibition

*Curation Team*

Participated in the initial planning and conception of the exhibition theme. Organized and communicated with artists and gallery, and designed exhibition space. Assisted the artists in setup works and ensured the smooth running of the exhibition.

Sep 2017  
- Jun 2018

### CAEA Gallery, Sichuan Fine Arts Institute

*Cutatorial Assistant*

Assisted curator in planning various exhibitions in the oil painting department. Responsible for communicating with the curator and allocating time, personnel, and tasks. Organized the receiving, returning, reviewing, and opening of more than one hundred works.

Expanded exhibition activities. Proposed and organized in the planning of the "Award-Winning Artists Interview" (posted on the gallery official account on Wechat).
